Public Meeting
on
Proposed Encina Plastics Processing Plant

Wednesday, April 12th, 7:00 pm

at

Unitarian Universalist Congregation
of the Susquehanna Valley

265 Point Township Drive
(on Rte 11 next to Surplus Outlet)

Area residents will share information and answer questions on what we have learned about potential impacts of the proposed Encina facility:

➤ Flood risks
➤ Truck traffic
➤ Health effects
➤ Property values
➤ Microplastics in river
➤ Wear and tear on roads
➤ Air, noise, and light pollution
➤ Rail transport of hazardous chemicals

Residents are encouraged to bring questions and concerns about the proposed project.
